# William Bayldon Public School News and Events

## Issue 10, 7 May 2020

Term 2	
Week 7	Monday, 8 June

Public Holiday – no school

### Principal's message

Grateful – “feeling or showing thanks or appreciation for something”

**I am grateful.....**

this term has started extremely well due to the commitment, understanding and perseverance of our students, parents and staff every day. I want to share with you that I am grateful for:

- all the William Bayldon Public School teachers and other staff who are working above and beyond their expected roles to ensure all students are learning;
- the students who are completing their learning packs at home and returning them to school so their teachers can celebrate their achievements with them and help them;
- the students who are completing their learning online and acting on the feedback provided by their teachers;
- the cooperation and support of all our parents and carers as we transition back to school, you have been amazing; and

finally I am grateful for being the principal of such a wonderful school community who have truly shown what we can do together in a crisis whilst still being kind, thoughtful and smiling even on the tough days!

I'm sure you all have something to be grateful for. Why not show your gratitude to someone and make their day!

### **Return to School- 11th of May**

All parents should have received a letter regarding their child's return to school day starting next week. If you haven't received a letter, please call the school.

# Important returning to school information

When your child returns to school, please make sure they have:

- a packed lunch and recess (unless orders have been written at home and the correct money provided in a bag)
- A water bottle

The school canteen will be open from next Monday, Tuesday, Thursday and Friday for lunch orders only. This means no students will be able to go to the canteen to buy any items.

Also, a reminder that parents/carers are not able to come onto the school grounds and are encouraged to drop their children off and stay in their cars. We have arranged for staff to greet children at each gate in the morning and to walk them to the gates in the afternoon.

Thank you for your co-operation in helping to keep everyone safe and we look forward to seeing our students as they begin to return in Week 3.
