28th-Toormina High
School Orientation Day

DECEMBER

1st-Swimming ends

5th-SEC Yr 7 Transition

12th-Presentation Day
- Pancake Day

15th-Last day term 4

The term is really starting to fly! We have had many amazing events and initiatives happening here at WBPS.

Recently, our stage 3 students began their transition sessions at our partner school, Toormina High School. The years 5 and 6 students spent a session being taught by their primary school teachers in the high school classrooms. The students had a fantastic time and are excited for their next visit. This program is just one of the elements of our transition to high school program.

Last Friday, we celebrated both Grandparents' Day and World Teachers' Day. We had an amazing BBQ breakfast in the morning with Grandparents from our school community. We thank everyone who came along and enjoyed the morning together. To celebrate World Teachers' Day, our staff were treated to a catered lunch. We are incredibly grateful for the work our teaching staff and all staff here at WBPS do to ensure our school is the amazing place that it is.

We have a very busy term ahead of us! Be sure to keep your eyes out for calendar updates, both in the newsletter and on our school Facebook page. As always, please contact your child's teacher or the office for any updates or information.

2.

WHATS BEEN HAPPENING

REMINDERS

- For events to run smooth, all permission notes need to be handed to the office by the due dates.
- All students need a piece of fruit daily for fruit break, please ensure that your child has fruit.
- Bikes and scooters are to be parked in the bike rack near the pedestrian crossing. A bike lock would be advisable.

CURRENT NOTES

Smith Family Passport -
OVERDUE

Treetops (Year 6) -
DUE - 8/11 + Waiver

Swim scheme -
DUE - 15/11

Questacon, Bandana Day, World Teacher Day, Grow the Music, The Feelz, cultural performance and Grandparents' Day. Plenty of festivities all round.

On Monday of week three we had Steve from 'Little Star Bee Sanctuary' come and run an incursion for K-2 and our support unit classes. We learnt about the structure of a hive, the different types of bees within it and some interesting facts about our native bees. The highlight was splitting the hive (turning it from one hive into two) and getting to see the different structures inside the hive.
